

## FitKid - Junior High

Junior High FitKid Unit is a compact play system that provides a fun and challenging way for older children to engage in active play. This system is a durable and affordable way to enhance the upper body strength among a large group of children.

## FEATURES AND BENEFITS:

- Delivers one of the six elements of play - brachiating, or overhead climbing to enhance core strength
- Encourages social interaction and teamwork
- Promotes balance and coordination development
