

## Saturn

An exciting IONiX play system designed for children ages 5-12. This unit features our TriNet to promote active play. The structure also incorporates numerous net climbers for additional play value, making an irresistible playground destination for kids.

## FEATURES AND BENEFITS:

- Designed to combine the beauty of an outdoor art installation with decades of play research to spark creative play
- Features a unique configuration of play components that create a looping pattern to encourage more activity and longer periods of play
- Includes advanced skill climbers and challenges to appeal to older children
