

Braden

Braden is an exciting PrimeTime play system designed for children ages 5-12. This unit qualifies for National Demonstration Site (NDS) status, signifying its endorsement of exemplary design and implementation practices that stakeholders can reference for data collection purposes. The structure features our Sensory Wave Spinning Seat, three slides, a crawl tube, an overhead climber, and a swing set for additional play value; making Braden an irresistible playground destination for kids.

FEATURES AND BENEFITS:

- Designed to be more compact in comparison to other product lines to lower cost
- Utilizes our patented TruLoc® DirectBolt connections to assure fast and easy installation
- Promotes balance and coordination development
- Preferred choice for many schools and daycares
