

Jupiter

Jupiter is an exciting IONiX play system designed for children ages 5-12. This unit features our TriNet to encourage active play. The structure also incorporates numerous climbers for additional play value, making Jupiter an irresistible playground destination for kids.

FEATURES AND BENEFITS:

- Designed to combine the beauty of an outdoor art installation with decades of play research to spark creative play
- Features a unique configuration of play components that create a looping pattern to encourage more activity and longer periods of play
- Includes advanced skill climbers and challenges to appeal to older children
