PT24017

Renewed Energy

Renewed Energy is an exciting PrimeTime play system designed for children ages 5-12. This unit features our Catalina climber with an array of other climbing experiences, crafting an engaging and enjoyable space. The structure also incorporates a fun slide and sensory panels for additional play value, making Renewed Energy an irresistible playground destination for kids.

FEATURES AND BENEFITS:

- Designed to be more compact in comparison to other product lines to lower cost
- Utilizes our patented TruLoc® DirectBolt connections to assure fast and easy installation
- Promotes balance and coordination development
- Preferred choice for many schools and daycares
